All Family Pies are individually **boxed** and marked - this helps you get them to their final destination in good condition. Family Pies will be delivered in plastic crates to one location for distribution and all crates must be returned on the day of delivery. Any crates not returned to us will be charged \$30.00 for each.

Once a delivery date has been confirmed with our office, we can provide you with an individualised master copy of your order form.

If you choose to sell Family Pies, you must have a confirmed delivery day with our office prior to your sellers collecting orders. Because of production schedules, Pie Drives selling Family Pies can only be booked for a Tuesday, Wednesday or Thursdays. To assist in planning, we need your detailed order **7 working days** prior to your delivery date and slight changes to your detailed order are accepted up to 3 days prior to baking & **only** by the person nominated to organise the drive.

If you anticipate your order will exceed 650pies, you should allow delivery over consecutive days.

Payment is required on or before day of delivery unless prior arrangement has been made with management.

We will delivery **free of charge** and delivery time can be between 11am - 1pm (**ROCKHAMPTON AREA**) depending on the size of the order. Please check with the office when placing your final order on a more precise time

Should you require clarification or any further information, please contact us during our office hours of 9.00am – 4.00pm Monday to Friday.
